

Addi Premium Knitting Needles

Best known as **Skacel Addi Turbo Knitting Needles**. These are premium circular knitting needles in the European packaging. The joints are well made so yarn slides effortlessly. Making these knitting needles super quick and smooth. Each one has comes in its own plastic sleeve and the size is indicated on the needle and cord. Made in Germany. Great for beginners and experts.

Advantages

- Perfect transition from tip to the cord
- Very smooth polished tips
- Extra light brass tips
- Thickness and length in black on the cord
- Highly flexible cord
- The tips are not bent, the needles do not twist out of hand

Important

These needles are in the European packaging which says "Addi Premium Knitting Needles". These knitting needles exactly the same as **Skacel Addi Turbo Knitting Needles**.
